

## LEE INDUSTRIES 1299-11 APARTMENT SOFA

This great sofa is sized to fit into smaller scaled homes, lofts, condos or apartments. Its thin metal legs help keep the profile on a smaller scale so the sofa doesn't overpower your living space, while the haven down cushion package provides comfy seating! Size doesn't always matter ;-)!

**SKU:** N/A | **Category:** [Sofas](#) | **Tag:** [Lee Industries](#)
