

AUSTRALIAN DESIGN - PROVENCE PLATTERS

What better way to serve your wine and cheese than on part of the wine barrel itself? These gorgeous serving platters are repurposed barrels as craftsmen breathe a second life into the discarded oak barrels from French wineries. Many of the barrels are more than 30 years old and are waxed copious layers of beeswax so they are food safe.

PRODUCT DESCRIPTION

"The best friend on earth of man is the tree. When we use the tree respectfully and economically, we have one of the greatest resources on the earth."

- Frank Lloyd Wright
