

ANJI SILKY SHAG RUG

The uniquely luxuriant look and feel of the Anji Mountain Bamboo shag rug is due to a custom specified blended yarn of 50% rayon made from bamboo and 50% cotton. And, unlike wool shags that are prone to a lifetime of heavy shedding, this shag rug is practically lint-free.

SKU: N/A | **Category:** [Rugs](#) | **Tag:** [Anji Mountain](#)
