

## COCO CHOCOLATIER - THE ART OF CHOCOLATE

Beth + her sons just got back from a delightful vacation in Scotland. We've discovered these amazing chocolate bars + drinking chocolate made in Scotland we want to share with our NC friends! The sea salt bars are made using salt from The Isle of Skye, one of Beth's favorite Scottish places!

## **PRODUCT DESCRIPTION**

COCO is a canvas for artists and artisans alike: those who dare to innovate, inspire and challenge. This is where creativity and cocoa collide. There is no compromise on style or substance.

They meticulously craft their portfolio of premium chocolate bars with the world's finest South American cocoa before enveloping them in original designs by independent artists.

Their small team of visionary chocolatiers have free rein to create unique flavour combinations that deliver extraordinary experiences.
