

PILGRIMWATERS SCARVES

Susy Pilgrim Waters and Keith Waters are partners in PilgrimWaters. They established the company in 2012 and today they design and manufacture their own unique collection of practical and beautiful products.

Born and raised in Great Britain and now based in Boston USA, Keith and Susy's range of home and apparel products draw on their professional backgrounds as an award-winning illustrator + computer graphic software engineer. Their experience informs a modern, handcrafted aesthetic with expert fabrication in the USA as well as overseas by their selected artisans in Nepal and India.
